

PARENT HANDBOOK

From the Principal

At Pioneer Village School, we strive to provide an education that meets the needs of all children. Our goal is to have all our students fulfil their potential – regardless of their starting point. With this in mind, we endeavour to provide best-practice, differentiated programs that meet the needs of all individuals.

When you join our community, you'll find that Pioneer Village School is a positive and supportive one. Positivity ensures the growth of our students' sense of well-being. It also develops their ability to celebrate not only their own, but the achievements of others.

Pioneer Village School is big enough to provide a variety of learning opportunities, but at the same time, is small enough to ensure we know all of our children. Our students learn in predominantly multi-age groupings and we pride ourselves on the education and experiences we are able to provide our students.

I would love to welcome you to take a tour of the school with me or simply get in touch to learn more about us.

Louise Lont
Principal
Pioneer Village School

Contacts

Address: 7 Albany Highway, Armadale, WA 6112
School Telephone: 9399 6999
Email: reception@pvs.wa.edu.au
Website: www.pvs.wa.edu.au

Download our free school app for both android and apple devices

School Hours

School commences: 8:30am

Recess: 10.40-11:00am

Lunch: 1:10 - 1:40pm

School ends: 3.00pm (2:50pm for K3 & K4)

Office Hours: 8:00am - 4:00pm

Kindergarten and Pre-Primary students must be collected from their classroom. If you will not be collecting them, please advise the teacher who will be.

Term Dates

Please refer to our website for our Term Dates:
www.pvs.wa.edu.au

Teacher Development Days

Teachers, like students, are lifelong learners and therefore Professional Development days are extremely important. During these days teachers engage in a variety of specialised training, formal education or professional learning aimed at improving knowledge, competence, skill and effectiveness.

Students are not required to attend on these days.

Enrolment Information

At Pioneer Village School, we keep the enrolment process simple and transparent. We have an interview system which enables families to take a tour of the school, discuss the importance of upholding school values, and discuss expectations as well as any concerns regarding their child.

Step 1: Apply

Complete the application form on our website, or come in and collect an enrolment pack. Fill in your child's details, submit with the associated documentation and an application fee of \$60.

Step 2: Interview

Once the required documentation has been received you will be contacted and an interview will be arranged. We contact families from our waitlist based on their original application date, with siblings of existing students having priority.

Step 3: Placement Offer and Acceptance

School Vision and Mission

Vision:

Pioneer Village School embraces traditional values while incorporating modern, best-practice and individualised learning approaches where students are supported to succeed.

Mission:

Our vision will be realised through a caring, inclusive culture where excellence in education inspires a love of learning and supports students to achieve their goals.

The Keeping Safe: Child Protection Curriculum

The Keeping Safe: Child Protection Curriculum (KS:CPC) is an evidence based, best practice curriculum developed collaboratively with child protection experts, teachers, educational leaders and other professionals. This curriculum is used by a range of Australian and International schools and is the recommended curriculum in Western Australia.

The KS:CPC is divided into 5 documents specific to the age and year level of the student. There are an additional three documents for educators working with students:

- from Aboriginal and Torres Strait Islander backgrounds
- from cultural or linguistically diverse backgrounds
- with disability and additional needs.

The KS:CPC is predicated on two main themes which are presented through topics and activities of increasing complexity.

The two KS:CPC Themes are:

- Theme 1: We all have the right to be safe
- Theme 2: We can help ourselves to be safe by talking to people we trust.

The two KS:CPC Themes are explored through four Focus Areas, which are examined in growing complexity in accordance with the age of the students.

The four KS:CPC Focus Areas are:

- Focus Area 1: The right to be safe
- Focus Area 2: Relationships
- Focus Area 3: Recognising and reporting abuse
- Focus Area 4: Protective strategies

The teachers delivering the program have received explicit training in the use of the Curriculum. The KS:CPC has been developed to ensure that effective abuse prevention programs are implemented, and that all children and young people have access to the approved child protection curriculum.

Although parent permission is not required under the Education Act 1972, we encourage parents/carers to seek further clarification if required and to provide the teacher with any relevant information about their child that could alleviate any concerns. More information can be found on the DECD Keeping Safe: Child Protection Curriculum site and I highly recommend all families spend some time reading through the content:

<http://tiny.cc/DECD-KSCPC>.

Student Placement

Multi Age Grouping

The school has a strong commitment to MAG groupings and have as research has highlighted many benefits for both teachers and children. Benefits include more holistic, child-responsive curriculum practices that consider the understandings, capabilities and dispositions that children need for future work, e.g. working in diverse environments that seek workers who are multi-skilled, literate, cooperative, creative, adaptable, independent and resourceful.

Pioneer Village School teachers are well versed in evaluating, planning, and teaching students as a whole class regardless of age. The capacity for peer teaching is also increased and students are able to provide and share learning across age levels.

Placements are at the discretion of Administration.

Kindergarten

Kindergarten is the first year of schooling in Western Australia and while not compulsory we highly recommend you enrol your child. A focus in Kindergarten is on language and literacy and developing an early understanding of letters, sounds and rhyming words. They also learn that pictures can tell stories, how written words can be read, and how spoken sounds can be written down.

The social and emotional development of your child is a very important part of learning. Learning through play teaches your child about making friends, sharing and taking turns, becoming problem solvers and creative thinkers, all while developing coordination and confidence. Purposeful play activities include cutting, painting, gluing, drawing, dressing up, sand play, climbing, storytelling, singing and dancing.

At PVS, our 3 year old Kindy students attend one full day each week and 4 year olds attend 3 days a week. Although kindy is not compulsory, once enrolled it is expected that a child will attend regularly, and in full school uniform.

House Groupings

Pioneer Village School has four Houses; Dale, Forrest, Jull and Ellis.

Students are placed in a House at enrolment. Family members are placed in the same House. House shirts and reversible sunsmart hats can be purchased at the uniform store and are to be worn when instructed.

Students are not permitted to wear House Shirts on school excursions or when representing the school.

Library Books and Bags

All students are encouraged to borrow books from the school library. Students will often select books to read themselves but may select more challenging books for parents to read to them. Library bags in which to transport their book to and from school must be brought to school on Library days. Students will be made aware of library days at the beginning of each year. If a student damages or loses a library book, the parent will be responsible for replacement costs.

Assemblies

Assembly occurs every second Friday afternoon from 2.15pm in the Assembly hall. Special assemblies, including the Easter Bonnet and Book Week Parade are whole school events. Parents are welcome to attend all assemblies.

CERTIFICATES

Different types of certificates are presented at each assembly. Certificates are awarded based on effort, behaviour and results and each students may not receive a certificate in any given year.

Security and Emergencies

Grounds/Security

Once students have arrived at school for the day they are not permitted to leave the school grounds unsupervised for any reason. Parents are requested to remind students school grounds are out of bounds before school hours.

Evacuation/Emergency Procedures

Pioneer Village School has clear emergency management procedures and regularly practice whole school drills.

If the alarm is raised all visitors to the school must report to and stay with the closest classroom teacher. It is essential all visitors to the school, including parents, sign in. This allows us to account for everyone on site in the case of an emergency.

Mobile Phones

Students may have mobile phones for a variety of reasons. The following rules apply.

- Mobile phones are to be turned off immediately when the student arrives at school.
- Mobile phones are to be handed in at the front office before the student goes to their class in the morning and collected in the afternoon.
- Mobile phones may be turned on once the student has been dismissed at the end of the day.
- Any student who disregards the above, who makes inappropriate text or voice calls; or takes photos or video images whilst on school premises will forfeit the right to have a phone at school. Further consequences may also be applied.
- Phones will be confiscated in the instances described above and returned only to the student's legal parent or guardian.
- No responsibility will be taken by the school for phones lost or stolen.

ACCIDENTS, ILLNESS AND MEDICAL EMERGENCY

Where possible, parents will be notified immediately if students become ill or are seriously injured at school. It is essential that family information on the school computer system is accurate and up to date to enable this emergency contact. The school staff are not permitted to administer most medications and may only administer limited first aid. This makes ensuring the school has your current contact information vital to your child's wellbeing.

If you receive a phone call from the office advising your child is sick and requesting you collect them from school, please first report to the office and sign your child out. Teachers will not release students who have not signed out.

Should an ambulance be required, parents will be required to cover the cost.

MEDICAL EMERGENCIES

Please ensure all medical conditions are made known to the school office. If a student has a medical condition or allergy which may require emergency treatment, an Emergency Action Plan is to be completed.

Please contact the Reception for this to be arranged.

For serious medical conditions parents must provide the school with written details of the condition including treatment. A form for this is available from the office. Depending on the severity of the ailment an interview with the Administration may be required prior to enrolment. This information must be constantly updated to ensure the school has the most current information and contacts

SCHOOL BOARD AND P&F

The School Board endorses and reviews the School Development Plan, monitors the School Budget, sets the Voluntary Contributions level and involves itself in relevant policy areas. School Board elections are held each year.

The P&F is an active group of parents who meet regularly at school. Please consider if you are able to be involved with this group as strong parent participation is a key to the ongoing success of the students and the school.

ATTENDANCE / ABSENCES

An explanation for all absences is required, and medical clearances in the case of infectious diseases. If your child is absent without the school being notified you will receive an SMS advising you of their non attendance. You are able to advise the school of the reason for the absence by:

- SkoolBag
- Calling the school on 9399 6999
- Using the school email address
- Responding to a text

In the event of a prolonged absence, please notify the front office and follow up with a written note.

If you are leaving Pioneer Village School please advise the school in writing a full term before departure. Non-compliance will result in a term's 'insufficient' fees notice.

HOME LEARNING

Daily reading is the cornerstone of our approach to home learning.

Parents are encouraged to assist their children with learning at home. A formal, prescriptive and assessed program is not required for home learning to be beneficial. Teachers will provide advice to parents regarding shared home activities that will enhance their child's learning.

This may include the following:

- Passion projects
- Spelling
- Tasks to develop lifelong hobbies
- Outdoor experiences
- Research based tasks
- Research
- Occasional tasks

CUSTODY OF CHILDREN

Where there is a separation in the family and one or both parents have custody of the child/children, the school must be made aware of custody details. Official documents relating to this should be made available to the school. All such information is confidential. Without official court documentation both parents have equal access to the child concerned.

CONTACT DETAILS

Parents are reminded of the importance of providing the school with current contact information. Families will be asked to update contact details at the beginning of each school year, however if changes occur during the year please advise the front office either in person, by emailing reception@pvs.wa.edu.au or by using the Change of Details eForm on the SkoolBag app.

It is important that current contact details are provided for more than one person. If the office needs to contact you for any reason, they will first try the person designated Contact 1, then work down the list until they are able to contact someone.

INTERNET POLICY

Whilst at school all students access and use the internet under supervision. Parents are required to sign a permission form which is part of the enrolment process. Students who breach this process may lose their right to use this resource.

Students will be asked to read through, and sign, a *Internet/Computer Use Contract* with their parents. Teachers will thoroughly explain the contract, as well expected behaviour and attitude, when using devices prior to sending the document home. Consequences may be applied to those who break the usages rules.

PHOTOGRAPHIC PERMISSION

Parents are requested to complete a form allowing their child's image to be used. This image may be a photograph or video that will be used outside the school community. This form will be completed as a part of the enrolment process.

We understand parents will want to take photos of their children at various school events but we ask parents to follow societal protocols and not take unnecessary photos of other children, nor share photos on social media that include other children.

POLICIES AND PROCEDURES

All Pioneer Village School community members are committed to ensuring a safe, positive and inclusive environment where everyone has the right to be respected and have a responsibility to respect each other

Students, staff, parents, caregivers and the wider community have the right to a safe and supportive learning environment.

MINIMISE NUTS PLEASE

We ask that parents do not provide their children with peanut butter or food products that contain nuts. A number of our children are seriously allergic to nuts and handling or even smelling nuts can create allergic reactions. Sharing of lunches is not allowed, but at times children may share their recess or lunch packs without teacher knowledge, and this could result in serious medical consequences for some children.

Please be aware that on birthdays and special occasions we do have shared "snacks". We do ask parents supply nut free products but this cannot be guaranteed. If your child has any allergies please ensure you have notified the staff and please bring in alternative foods for your child. These foods can be stored in the staffroom or classroom.

CAMP AUSTRALIA

Before School Care is available at the school from 7:00am to 8:50am daily.

After School Care is available from 3:00pm to 6:00pm daily during each term.

The company running the program is Camp Australia, please discuss your enrolment needs with the Camp Australia staff.

UNIFORM

Students are expected to be groomed according to school policy, and dressed in correct school uniform which must be maintained in good condition.

Parents are expected to advise the school teacher when their child is not in appropriate uniform.

Please note the following:

- An explanation letter is required if your child is not in correct uniform
- The uniform should always be presentable, particularly when on excursion, for the annual school photo, and to and from school
- Sports hats are to be worn daily at school all year round
- Dress school shoes should be kept polished
- Unless otherwise advised, students are to wear Dress Uniform on excursions
- Sport shoes are to be cross-trainer running shoes (sneakers). Coloured runners are acceptable. However skate shoes, high top basketball-style shoes, alternative sport shoes to runners and those with built-in wheels, lights or other accessories are not to be worn at PVS
- Hair is only to be temporarily dyed for special events such as sport carnivals, dress up days and special performances, and must be washed out for the following school day. Hair that is below collar length must be tied up for health and hygiene purposes. Hair is not to be bleached
- One pair of sleepers/studs on ears only and wrist watches are accepted items
- No nail polish
- School bag – navy blue. Must include school crest.

Drop Off Zone

The Drop Off Zone is designed to ease the flow of traffic within our school carpark.

It is to be used only by parents of students from Years 2-6 for morning and afternoon collection.

To ensure the safety of younger students, parents are required to reverse park in the Village's top car park and escort their children to and from class.

All Students not using the Drop Off Zone should be collected from their classrooms at the end of the day.

Drop Off Zone Instructions
